

KEY = 4 Time

REHOLD OUR GOD

MUSIC BY
COMPOSED BY
REMY BARRA and STEPHEN ARNONE

Who has held the reins of power?	Who has numbered every grain of sand?	Who can match the strength of his words?	Who can reach the ends of the earth?
Who has guided the course of the world?	Who can question the will of God?	Who can count the stars in the sky?	Who can measure the depth of the sea?
Who has created life and death?	Who has made the sun and moon?	Who has made the wind and rain?	Who has made the lightning and fire?
Who has made the mountains and hills?	Who has made the rivers and streams?	Who has made the trees and plants?	Who has made the animals and birds?
Who has made the human race?	Who has made the mind and soul?	Who has made the heart and will?	Who has made the love and grace?

Who has made the world?	Who has made the sun and moon?	Who has made the wind and rain?	Who has made the lightning and fire?
Who has made the mountains and hills?	Who has made the rivers and streams?	Who has made the trees and plants?	Who has made the animals and birds?
Who has made the human race?	Who has made the mind and soul?	Who has made the heart and will?	Who has made the love and grace?
Who has made the world?	Who has made the sun and moon?	Who has made the wind and rain?	Who has made the lightning and fire?

Who has made the world?	Who has made the sun and moon?	Who has made the wind and rain?	Who has made the lightning and fire?
Who has made the mountains and hills?	Who has made the rivers and streams?	Who has made the trees and plants?	Who has made the animals and birds?
Who has made the human race?	Who has made the mind and soul?	Who has made the heart and will?	Who has made the love and grace?
Who has made the world?	Who has made the sun and moon?	Who has made the wind and rain?	Who has made the lightning and fire?

Who has made the world?	Who has made the sun and moon?	Who has made the wind and rain?	Who has made the lightning and fire?
Who has made the mountains and hills?	Who has made the rivers and streams?	Who has made the trees and plants?	Who has made the animals and birds?
Who has made the human race?	Who has made the mind and soul?	Who has made the heart and will?	Who has made the love and grace?
Who has made the world?	Who has made the sun and moon?	Who has made the wind and rain?	Who has made the lightning and fire?

Who has made the world?	Who has made the sun and moon?	Who has made the wind and rain?	Who has made the lightning and fire?
Who has made the mountains and hills?	Who has made the rivers and streams?	Who has made the trees and plants?	Who has made the animals and birds?
Who has made the human race?	Who has made the mind and soul?	Who has made the heart and will?	Who has made the love and grace?
Who has made the world?	Who has made the sun and moon?	Who has made the wind and rain?	Who has made the lightning and fire?
