And I left my boat by the lakeside, Now with you, I will seek other shores.

2. Lord, you well know that I carry
In my boat, nor treasure nor weapon
I bring you only my willing labour.
3. Lord, you have need of my hands;
I shall labour that others may rest;
And from my love, Lord, may others love you.
4. Lord, other seas call me onward;
Hope eternal for hearts that are searching;
And love will bind us as friends forever.
