Acknowledgements

My foremost appreciation goes to the Almighty God for the opportunity to complete this first volume. I also wish to thank all those who encouraged me in diverse ways as far as this compilation is concerned. I cannot leave out Mr. Kwame Senaanu Amegbo for his constant assistance in providing me with the data I required to complete this compilation. I am also grateful to my fellow colleagues of the Sibelius Online Forum for all the technical assistance. Finally, I acknowledge the great musicians and composers whose copyright works were used in this compilation. May God bless you all abundantly.
